

**NBC News** has teamed with the **HotChalk Learning Community** to bring your classroom to life with more than 70 years of footage from the **NBC Video Archives** along with additional educational resources, lesson plans, and more.

The **NBC News Archive** provides:

- ✓ More than 5,000 searchable resources, including historical footage, current events, mini-documentaries, primary sources, images, and other materials for use across all curriculum areas
- ✓ Specific digital content aligned to Advanced Placement courses and general classroom instruction in U.S. History, U.S. Government and Politics, and English Language and Composition
- ✓ Nearly 100 Writing Prompts supported by a selection of related NBC News stories and commentaries

In addition, the **HotChalk Learning Community** allows you to:

- ✓ Create customized assignments and lesson plans for all of your classes utilizing the **NBC Video Resources**
- ✓ Collaborate with peers, experts, authors, and master teachers through **HotChalk's Online Teacher Community**
- ✓ Supplement lesson plans with ideas and strategies from **HotChalk's Lesson PlansPage.com**
- ✓ Post class messages, manage your grade book, and search for quality resources in an easy-to-use, secure environment built with teachers in mind.
